

Creepy Crawlies Crowd

Aim: To be able to tally information and display it in a simple chart.
To be able to use collected data to create a bar chart.

- Look at the picture carefully.
- Tally each of the creepy crawlies in the chart. You will need to put the correct titles at the top of each column.

Cross out the
creepy crawlies
as you tally
them

butterflies

flies

grasshoppers

caterpillars

spiders

ladybirds
